It's been great knowing you! You've been a great friend! Even though our relationship goes up and down we still work out the bad points and come that's a kind of true friendship! I probably won't be here next year, but I will always remember all the fun times we had together at school and work! And I'll especially remember you! You're kinda hard to forget! You grow on people! I wish you and Jimmy the best 'cause I'm the one that got you'll together,
